## 2010 HCPPA CANADA USA EVENTS

- **HCPPA Canada/USA Schedule of the year 2010**
- Benefit show– Mar 20, 2010
- Annual Hartley-Hindu Cricket Match –July 1st, 2010.
- Annual Summer Picnic– August 7 2010
- Hartleyite Nite & AGM – Nov. 20 2010 . 6:00 p.m.-

Year 2009 was very painful for all Thamil people and we are no exception. Thus, we cancelled all events except for our AGM. However we can't live in the past and have to move forward. In the year 2010, we conducted all events that we usually have.

We had our usual benefit show on March 20, 2010. On 1st of July, we had our annual cricket match against Jaffna Hindu College. This year, in order to have more players to participate, we had two matches instead of one 40 overs

match. The first game was played for 30 overs and the second game was played for 10 overs. Hartley College team won both the games handily.

The annual picnic was held on August 7 at Thompson park. The picnic started around 11:00 a.m. with Point Pedro style Dosai - thanks to Wijayaranjan and continued with the customary barbecue of chicken, burgers and hotdogs. This was followed by our rice and curry meal and buriyani. (Cont..page 2)

## 2010 HCPPA CANADA USA EVENTS ( Cont.. from page 1)

The evening meal consisted of Hoppers courtesy Mr Balakrishnan and family and our traditional “kool” made by Mr & Mrs. Sahadevan and everybody’s favourite Kottu Rotti prepared by our famous Kottu Rotti person Ravi. We also had Volleyball and Badminton courts for the participation of our members.

However the sporting events and games for kids were lacking in the opinion of the many attendees. Our Ondru Koodal (ஒன்றுகூடல்) had truly become a Thinrukoodal (தின்றுகூடல்). We wish to thank Mrs. Subothini Sureshkumar, Mrs. Suganthy Sivarajah. Mrs. Suganthy Mohan Sutharmini Rohan, Mrs. Raji Balachandran, Mrs. Yogeswari Rajavarithayam, Mrs. Vathna Panchakrishnan and others for their in help making “Kottu Rotti” and all the other Hartleyites and their spouses and kids who have made this event a memorable one.

### Contributions to Hartley College Students and their achievements in sports and academics.

You all are aware that HCPPA Canada/USA has committed to fund Rs.250,000 per

year for sporting activities at least until 2013. We have almost secured enough funds fulfill this obligation.

Our student A.C. John Niraj, who became second in national level in the G.C.E. (A/L) examination in August 2009, has faced the Olympiad Physics Competition and selected to the Asian level competition. Eight students were selected island wide and he is the only one selected from the Tamil medium schools. The Asian level competition was held in Taiwan on April 23 2010.

HCPPA Canada/USA sponsored his travel expenses of Rs. 62,000.

We also awarded Rs 15,000 to Hariharan Vadivesvaran for his excellence in the national sports meet.

Mas.Thurailingam Balakumar got the first place in the under 19 pole vault in the northern province and cleared the height of 3.41m and broke the previous provincial record of 3.40m height in 2009 and was also awarded with the gold medal for this event.

### Funding Commitments of HCPPA Canada/USA

HCPPA Canada & USA, along with the other PPA branches around the world support the decision of Hartley PPA Global Trust to purchase the 5.6 larcham land opposite to the school.

HCPPA Canada/USA agreed to raise and contribute \$6,000 towards this project. Hartley Trust under the stewardship of Mr. Shanmuganthan is purchasing this land with a view of building a vocational training centre with funding from the government or NGOs. This centre will serve everyone in the greater Point Pedro/Vadamarachi region. With this project Hartley will expand its services to the entire region.

### PLEASE CONTRIBUTE GENEROUSLY TO BRING HARTLEY BACK TO ITS GLORY

Please contact our treasurer Rajezwaran at 905-827-9453 or kalarajez@yahoo.com for further details.

# HCPPA Canada/USA—Editorial

Mr. V. Jayaraman TEL; 416 884 4410 E-- Mail; jayaraman@cmr.fm

Year 2010 has brought some relief to our students as Hartley college is no longer in the high security zone (HSZ). The military has withdrawn from the vicinity of our college. Our Principal and our Global Trust Chairman are now in a position to approach various NGO's for funding of buildings if a land is available or a facility that was destroyed during the conflict. To this end, they have been working very hard. On the educational front, we have seen lots of improvement. Our GCE A/L and O/L results for year 2009 is far better than last year or many previous years; but the performance is far below compared to the pre-conflict years.

It is understandable that the students would need time to catch up with the rest of the island after going through a horrendous time throughout their entire educational time.

The level playing fields also have changed with the explosion of technology. We at Hartley College have to go leaps and bounds **to have the technological resources** that are available in the south. It is the **expatriate Hartley community that can bring** Hartley College back to its glory.

From the editorial board

## TREASURER'S NOTE

We had a fairly good year in terms of fund flow and membership. Our membership increased by twelve to two hundred and eighteen. We made a net profit of \$1800 from AGM dinner and \$1000 from the benefit show.

Attendance to the benefit show was rather disappointing. Even our own committee members did not show up though they all sold and paid for tickets. This is a clear indication that the members as well as those who normally support us are not interested in coming to the benefit shows any more. We need to think a new strategy to raise

funds in the coming years.

This year seven members contributed a total of \$1950 towards 'Present College Needs Spots Fund' (PCNSF) and we transferred \$2,133 (SLR 250,000) to PPA being our contribution for year 2010 to be given to the Principal. This brings our current balance in PCNSF account to \$ 1,900.

We paid for the cost of the air ticket SLR 62,000 to Mas. A.C.John Niraj, who was flying to Taiwan to participate Asian level Olympiad Physics Competition at the principal's request. Also, we awarded SLR 15,000 to Master Vardivesvaran appreciating his gold medal winning in the all island competition. Two of our

members contributed \$225 towards the cost of the air ticket.

Additional contributions were received for Atput-Nava fund and Karunanidy Memorial fund \$520 and \$350 respectively. A new fund was opened in memory of our late principal MR. C. P. Thamothisram with a contribution of \$2000 from Mr. N. Perinbnayagam. Total fund inflow for the year was \$7,350. During the year, we transferred \$5,000.00 into GIC account with TD Bank which brings our total GIC with TD to \$25,427.
